

**Brendan Burk**  
**Product Director**  
**General Fund Enterprise Business System Increment II**

Mr. Brendan Burk was appointed the Product Director for General Funds Enterprise Business System (GFEBS) Increment II in July 2015. In this capacity, Mr. Burk will provide upgraded infrastructure to accommodate emerging requirements for Enhanced Financial Integration, Army Single Labor Time Tracking, Environmental Management, and Integrated Resource Management. These requirements not only provide additional capability, but attribute to improving automated integration of financial data, enhancing business process efficiencies, increasing interoperability, and maintaining audit readiness.

Prior to his selection Mr. Burk was a student at the Dwight D. Eisenhower School for National Security and Resource Strategy (formerly ICAF), National Defense University, Fort Lesley J McNair, Washington D.C.

Mr. Burk served as the Project Director Computer Hardware Enterprise Software and Solutions (CHESS) with responsibility for providing flexible procurement strategy through which Army users procure IT hardware, software, and services via IT e-mart, the Army's e-commerce site. Additional assignments at CHESS included the Deputy Project Director and Software Product Leader. Mr. Burk began his civil service career as a Contracting Officer with U.S. Army CECOM Life Cycle Management Command (CECOM LCMC). Prior to civil service Mr. Burk was a Commissioned Officer in the U.S. Air Force, serving in various positions within the contracting field.

Mr. Burk holds a M.S. in National Resource Strategy, The Dwight D. Eisenhower School for National Security and Resource Management; a M.A. in Economics from the University of New Hampshire and a B.S in Operations Research and Economics from the United States Air Force Academy. He is a recipient of the Superior Civilian Service Award and has twice been awarded the Commander's Award for Civilian Service. Mr. Burk is a member of the Army Acquisition Corps with Level III certification in both Program Management and Contracting.
